

TWO MORE REGIMENTS TO MEXICAN BORDER

INFANTRY REGIMENTS SENT TO LAREDO AND EAGLE PASS

Troops Are Ordered to Border at
Request of Texas Congressmen and
To Alleviate Fears of Raids by Mex-
icans—Gen. Diaz in Washington.

Washington, March 11.—Dispatch of two additional regiments of American infantry to Eagle Pass and Laredo, Texas to alleviate fears of raids by Mexicans and the appearance here of General Felix Diaz and friends with a new plan to solve the Mexican problem, were the chief developments today in the Mexican situation. The troops, the ninth and seventeenth regiments, were ordered to the border at a request of Senator Shippard and Representative Garner. The latter told the president there was a great deal of cash in the border banks and Americans wanted to be protected against any sudden raid or invasion which might result from sensational over-night developments at any time in the Mexican situation.

Mr. Garner also said much cattle had disappeared lately and residents believed Mexicans were responsible. The request for additional troops was made on Monday; was discussed at the cabinet meeting and decided upon late today by the president who communicated his approval to the secretary of war.

Will Make Statement Today.
General Diaz and his friends here said they were not yet prepared to announce their purposes, but would do so in a statement tomorrow. Members of the party included Pedro del Villar, who was before the senate foreign relations committee last week and was reported to have asked support for a counter revolutionary movement.

The Mexicans denied today that they were seeking support or sanction for any revolutionary movement, saying their idea was a campaign of information about Mexico and to acquaint Washington with the personality of General Diaz so that his part in subsequent events in Mexico might be judged from a study at close range.

Just what their plans are or the restoration of peace, whether by arm or revolution or peace proposals, was not divulged but it was learned that they are seeking the elimination of General Huerta and are not allied in any way with the constitutionalists.

16,000 Troops in Texas.
Today's orders for the dispatch of two more regiments to Texas will result in the assembly in that state of more than 16,000 troops. Nearly 11,000 of these soldiers are in camp at Texas City, under command of Brig. Gen. Fred Funston of Philippine fame. The others are scattered along the border from Brownsville, Texas to Nogales, Ariz., under command of Brig. Gen. Tasker H. Bliss.

The largest garrisons being maintained at El Paso, Nogales, Douglas, Laredo, Eagle Pass and Brownsville where the railroads from the United States enter Mexico.

Of the regiments ordered out today the ninth, two battalions of which are at Fort Thomas, Ky., opposite Cincinnati and one at Fort Logan H. Roots, Ark., is commanded by Col. Charles J. Crane. The seventeenth commanded by Col. John T. VanOrsdale, is stationed at Fort McPherson, near Atlanta, Ga. Col. VanOrsdale will be deprived of the privilege of accompanying his regiment to the border, as he will be placed on the retired list of the army tomorrow on account of age.

As Lieut. Col. Henry B. Styer, of the seventeenth is now on duty at the war college, the command of the regiment temporarily at least will fall to the senior major George W. Martin.

Although the two regiments will proceed to Eagle Pass and Laredo, General Bliss will designate their exact location.

The present strength of each regiment is 832 men.

Will Believe Cavalrymen.
At Laredo and Eagle Pass the two regiments will relieve six troops of cavalry which will be distributed along the other points on the western border in General Bliss's discretion. This will place under that general's command about 4,200 cavalry troops and 2,400 infantry.

Though large in the aggregate this force is regarded as small in many quarters here, for a rigid and efficient patrol of the 1,800 miles of border between the United States and Mexico. Secretary Garrison, however, feels that it will be sufficient and says he has no present intention of further strengthening it. He insists there is no proof that the border patrol has broken down at any point since its establishment three years ago.

General Bliss this afternoon telegraphed that he was sending photographs of the body of Vergara by mail and beyond that message there was no word from the border today.

WEDDING ANNOUNCED.
New York, March 11.—The wedding of Miss Helen Dinsmore Huntington and Vincent Astor will take place on April 30th, it was announced by friends of the family tonight.

CITY OFFICIAL SHOT.
Seattle, Wash., March 11.—Leslie H. Lowe, city health inspector, while serving a warrant today on Rev. Robert F. Butterworth, a preacher of the re-organized church of Latter Day Saints, was shot and seriously wounded.

SECRETARY BRYAN ADVOCATES ADOPTION OF THE POSTAL VOTE

Secretary of State Favors System of Allowing Citizen, Though Away From Home to Cast His Vote on an Election and Have it Counted.

Annapolis, Md., March 11.—Secretary of State Bryan today said he hoped that not only would this country borrow the initiative and referendum as it had borrowed the Australian ballot, but in time it would adopt the postal vote.

The postal vote of New Zealand allows a citizen, though away from home, to cast his vote on an election and have it counted.

The occasion of Mr. Bryan's statement was an address he made on the initiative and referendum before the Maryland legislature.

A bill providing for the measure is pending.

Secretary Bryan said he believed there is more "virtue in the people than ever finds expression in their representatives." A representative should not violate his conscience either in public or private matters and when he feels that he cannot do what his constituents conservatively want him to do he should return his commission.

"I believe the crime of misrepresentation is greater than private embezzlement," Mr. Bryan said; "and when you get misrepresentation your office-holder can laugh at you while he is drawing a salary from the treasury and doing as he pleases."

"You need not be afraid to change your opinion on the question of the initiative and referendum," President Wilson changed his opinion and was not ashamed. He said he had been teaching his students at Princeton that the initiative and referendum was wrong but when he found he was wrong he was not ashamed to say so."

SECRETARY OF STATE WOODS LOSES ANOTHER ASSISTANT

SPRINGFIELD, Ill., March 11.—Secretary of State Harry Woods will lose another assistant in his controversy with the civil service commission. The name of S. O. Pearce, Quincy, corporation department assistant, does not appear on the commission's eligible list for that position announced today. On the list are these names:

F. T. Sheets, Clampaign, and Martin W. Watson, Clifford M. Hathaway, Ira E. Scott and Lloyd Schwartz all of Springfield.

GRANTS INJUNCTION AGAINST ENFORCEMENT OF IOWA LAW

Convict Obtains Temporary Injunction Restraining Officials From Enforcing Sterilization Law.

Council Bluffs, Iowa, March 11.—Judge Smith McPherson in the United District court today granted a temporary injunction returnable on March 21st, against the enforcement of the Iowa sterilization law. The case was filed at Keokuk.

Rudolph Davis, a convict from Linn county, serving ten years for burglary, is the plaintiff in the proceedings and declares he has reasons to believe the prison authorities are about to perform the operation of sterilization on him. William H. Berry, John E. Howe and David C. Mott, constituting the state board of parole; Warden J. C. Sanders and Dr. Austin F. Phillips, prison physician, are named as defendants.

Davis charges that the vasectomy law which was passed by the last legislature is unconstitutional in that it proposes to inflict punishment without due trial and that it does not apply equally to all persons, but affects only those within state penal institutions and that otherwise is in conflict with established laws.

SUFFRAGETTE VANDALISM LESSENS INFLUX OF TOURISTS

LONDON, March 11.—The portion of London which harvests the dollars of American tourists is showing much alarm over the closing of sightseeing shrines as a result of acts of vandalism committed by suffragettes.

The manager of a large tourist agency said today that activities of the suffragettes undoubtedly would lessen the influx of tourists from the continent during the Easter season.

London also is complaining about the payment of costs of suffragette outrages and efforts will be made to extort fine of land which makes the state responsible for losses growing out of such outrages.

MERCHANT DISAPPEARS.

Ottawa, Ills., March 11.—J. H. Trobridge, former member of the state legislature and a business man, has disappeared from his home in Marcellus. Tracks believed to have been made by Trobridge were found in the snow today leading from his home to the Illinois river.

PITTSFIELD MAN CHOSEN.

Springfield, Ills., March 11.—J. D. Hess, of Pittsfield, was today appointed assistant counsel of the Illinois Public Utilities commission. Richard Yates has appointed Hugh Dillon, of Springfield, his private secretary.

ISSUES BANK PERMIT.

Springfield, Ills., March 11.—And-
of Public Accounts Brady, to-
day issued a permit to Robert A.
Schofield, Christopher A. Dehning,
William Schulze and Peter Clausen
to organize the Sixty-Third and
Halsted State Savings Bank in Chi-
cago with \$200,000 capital.

OPPOSITIONERS OF REPEAL DISPLAY ACTIVITY

DEBATE ON REPEAL OF CLAUSE OF PANAMA CANAL ACT BEGINS SOON

Democratic Leaders Who Have Made a Canvass of Situation Are Certain That Opposition to the Repeal Will Be Fruitless—Other News of Washington.

WEDNESDAY IN CONGRESS.

Senate.
Met at noon.

Foreign relations committee rendered favorable report on renewing general arbitration treaty with Paraguay.

Hearing on the cost of living in Washington held before the labor committee.

Adjourned at 5:40 to noon Thursday.

House.
Met at noon.

Continued debate on the agricultural bill.

Adjourned at 5:30 to noon Thursday.

Washington, March 11.—With debate on repeal of the exemption clause of the Panama canal act about to begin in the house, interest in the outcome of the president's request of congress was intensified today. Opponents of the repeal displayed unusual activity. To Democratic leaders who have made a thorough canvass of the situation it appeared practically certain tonight that opposition to the repeal will be fruitless.

Announcement yesterday that the senate committee on inter-oceanic canals had determined to wait action by the house before taking up the repeal controversy for consideration created some comment in the senate.

Informal conferences were held among Democrats, their conclusions being that there is no reason for unusual haste on the part of the senate and that action by the house may be awaited until the Sims repeal bill should encounter unusual delay in that body.

Should the house prolong discussion of the measure unreasonably administration leaders in the senate may make an effort to take initiative action in the upper branch.

President Wilson conferred on the tolls issue today with Senators James of Kentucky and Hoke Smith of Georgia. Each said he expected the house to act before any action is taken by the senate.

Chairman Adamson of the house interstate commerce committee failed today to get assurance of unanimous consent to take up the repeal bill and he promptly introduced a resolution calling for a special rule to expedite action. The bill will not be called up until the latter part of next week after the rivers and harbors bill has been disposed of.

The rule asked for, which it is expected the rules committee will report would provide for fifteen hours general debate on the measure.

Will Complete Consideration.

Whether the literacy test shall be retained in the Burnett immigration bill by the senate committee is to be determined tomorrow when it is planned to complete consideration of the measure for submission to the senate. Predictions were made by several members of the committee tonight that the literacy test as it passed the house would be retained, despite doubt as to the reception it might receive in the white house. President Wilson has had no hesitancy in telling senators who have sought his opinion on the subject that he does not favor the literacy test as a means of restricting immigration.

Use Unique Pen in Signing.

The pen with which Speaker Champ Clark signed the Alaska railroad bill today was made of Alaska gold and was held in an ivory pen holder made from the tusk of a mastodon that roamed in Alaska more than fifty thousand years ago.

Vice President Marshall used the same pen and holder when he affixed his signature. The pen holder was carved in the form of an Alaskan totem pole by an Alaskan Indian living in Skagway. The ivory tusk from which the holder was carved was found in the Alluvials of the Kuskokwin, where mastodon remains of the pre-glacial age frequently are brought to the surface in the course of mining operations. Geologists say that the ivory from these deposits must be at least 50,000 years old.

For Bureau of Labor Safety.

A bill to create a bureau of labor safety in the department of labor was passed in the house today. It proposes a bureau to make general and special investigations of labor safety plans and devices; to inquire into all phases of vocational diseases and to make public the result of its investigation.

PROMINENT NEW YORKER DIES.

New York, March 11.—John Lambert Caldwell, assistant secretary of state under Hamilton Fish died here today, aged 76. He was born in Trenton, N. J.

WITH FOOD SUPPLY CUT OFF GEN. KELLY'S "ARMY" DWINDLES

Hungry Men Leave Camp Near Sacramento Singly and in Groups—Rural Districts Terrorized.

Sacramento, Cal., March 11.—"General" Kelly's "army" temporarily detained on its march toward Washington, D. C., went to bed supperless tonight in the shacks that form its camp in Yolo county, just across the Sacramento river. Sacramento county not only officially shut off the food supply which had been contributed by the county but issued an order forbidding any person conveying supplies across the bridge beyond which the industrial workers are camped.

The result of shutting off food became apparent at once. Men began leaving the camp singly and in groups. By nightfall the "army," which had numbered 1,800 on Monday and dwindled to 1,000 or 1,200 yesterday had been further reduced to about 600 men whose leaders were finding it difficult to hold them in hand.

The rural districts of Yolo county are now over run by hungry men who appear at orchard homes and enforce with threats their demands for food. Perhaps half the male population of the county was on duty tonight in the role of special guards for the protection of homes and property.

The situation with regard to the remaining "army" bent on marching on the national capital regardless of all obstacles is desperately involved. Sacramento officials will not permit them to pass through this city. A half dozen surrounding counties have served notice they will send armed force any attempt to send the army across their lines. Plans to ship the jobless in small groups in various directions fell flat today when the railroad companies refused to carry them. There is a state law forbidding the transportation of undesirable citizens from one county to another.

Governor Hiram Johnson addressing the "Ad" club here today, praised the officials of Sacramento for their stern suppression of General Kelly and his army.

They governor said that problem was not one of men involuntarily out of employment but of men who preferred vagrancy to honest toil and would not work.

Will Use Stern Measures.

Martinez, Cal., March 11.—"We will shoot down in rows the members of the idle 'army' before we will allow them to land in this county again. I am justified in giving such an order because the threats by members of the 'army' in Sacramento marks them as a dangerous element. I have a right to protect this county against them and I shall do so, even if it necessitates bloodshed."

This is the statement made tonight by Sheriff R. R. Veale of Contra Costa county who today swore in 300 extra deputies whom he provided with arms and ammunition. Automobiles have also been chartered in order that the armed force may be quickly moved wherever invasion may be threatened.

Veale also secured a writ of injunction from Superior Judge Latimer, prohibiting any community or individuals sending indigent persons into the county. Any railroad corporation or employee of a railroad disobeying this order will be prosecuted for the contempt of the sheriff said.

Chief of Police Arnold of Richmond, in the same county, has his men force under arms and provided with automobiles to await instructions from Veale.

DECLARES SOME COLLEGE GRADUATES EDUCATED FOOLS

Baptist Minister Asserts Person Who Has Brain Developed at Expense of Heart Is Dangerous as Dynamite.

Springfield, Ills., March 10.—Dr. Russell Conwell, minister of the Baptist Temple, Philadelphia, Penn., declared today at the Winona Bible conference that some college graduates are educated fools and therefore incompetent to lead others in the interpretation of the Bible.

"I believe in higher education," declared the speaker, "but it sometimes so robs a person of his instincts that he is unable to serve either God or man. The man who thinks that he knows it all is an ignoramus and a good many of our college graduates are guilty of a liberal quantity of self esteem."

In speaking of the two-fold development of man, he said: "A person who has his brain developed at the expense of his heart is as dangerous as dynamite."

Other addresses during the day were made by Dr. C. Campbell Morgan of London, Dr. Frank M. Palmer of Wagon Lake, Ind., and by S. D. Gordon.

Dr. Morgan spoke again at night.

CLEAR VIEW OF ECLIPSE.

Chicago, March 11.—Astronomers in the central west had a clear view of the eclipse of the moon tonight and many photographs of the shaded object were taken.

The sky was unclouded during the entire eclipse and thousands of persons watched the earth's shadow move across the full moon.

TRAINING SHIP BURNS.

London, March 11.—The training ship Wesley, one of the last of England's old-time wooden warships was burned tonight in Shields Harbor. Only a few of the three hundred boys on board were injured. One of the lads made a dash through the smoke and rescued the captain's baby. Perfect discipline alone prevented a terrible disaster.

SIEGEL AND BANKING PARTNER INDICTED

GRAND JURY RETURNS THREE JOINT INDICTMENTS AGAINST BANKERS

Henry Siegel and Frank E. Vogel Are Charged With Grand Larceny and With Accepting Deposits After Big Store Bank Was Known to Be Insolvent.

New York, March 11.—While Henry Siegel, the head of large department stores in New York, Chicago and Boston was testifying today in a riotous bankruptcy hearing in the federal building the grand jury that has been investigating the failure of the Siegel stores in New York and the savings bank conducted in connection with them, returned three joint indictments against him and his partner in the banking enterprises, Frank E. Vogel. Siegel and Vogel were notified of the indictments while they were still in the federal building. They were taken to the criminal court building where they were arraigned on the charges and later released on \$25,000 bail each.

Three hundred angry depositors, who had forcibly been ejected from the bankruptcy hearing, hunted around the federal building for Siegel in vain. At the time they were looking for him he and his banking partner were standing before Judge Rosalsky pleading "not guilty."

One of the indictments charges grand larceny in that false statements were made in order to borrow \$25,000. The other indictments allege acceptance of deposits after the big store bank was known to be insolvent.

WORK OF EXPLORING RUINS OF M. A. C. BUILDING PROCEEDS

No New Bodies Are Recovered—Begins Investigation of Fire Today.

St. Louis, Mo., March 11.—Work of exploring the ruins of the Missouri Athletic Club for the bodies of the twelve victims of Monday's fire believed to be in the debris made slow progress today.

No bodies were recovered and the number at the morgue is the same as it was last night—ten. Of these five have been identified, the identification of Lucius P. Ruff of Dallas, Texas, having been confirmed late today. Four large insurance companies will pay claims aggregating \$102,000 on the lives of persons who perished in the fire and probably the amount will reach a larger sum. A joint committee of the municipal assembly will begin an investigation of the fire tomorrow.

Assistant Fire Chief Salmon today made a report that gas escaping from a six inch main in the building caused the fire to burn steadily for thirty four hours and that six explosions in the ruins on Tuesday were due to escaping gas. The escaping gas is believed to have been responsible for the rapid spread of the flames which cut off many guests from all chance of escape.

Fire Chief Swingle has ordered an inspection of all the hotels, lodging houses, theatres and moving picture theatres in the city to determine if any are fire traps.

CONTRACT BOOKS FOR CHICAGO DAIRY TERRITORY OPENED TODAY

ELGIN, Ill., March 11.—Contract books for the Chicago Dairy territory will be opened tomorrow and milk prices set for the six summer months. The territory affected includes Northern Illinois, Southern Wisconsin and Western Indiana. An average price of \$1.50 a hundred pounds to manufacturers and \$1.25 for each light gallon to distributors has been demanded by the milk producers' association. Members of the association threaten to refuse contracts unless dealers and manufacturers meet these prices.

INVASION PREVENTED.

New York, March 11.—An invasion of the Henry street Synagogue on the East Side by a section of Frank S. Hamilton's "army" of unemployed, led by Max Waxelbaum, was averted late today by the action of Joseph Finkelstein, president of the congregation and the timely appearance of the police.

MURDER MYSTERY SOLVED.

Lawrence, Mass., March 11.—The fact that John K. Shamlian, a Boston jewelry salesman, who had been missing for a month, was murdered and his body hauled to pieces was disclosed tonight. Four Armenians who are under arrest confessed, according to the police.

EMPEROR AND KING TO MEET.

Venice, Italy, March 11.—King Victor Emmanuel and Emperor William will meet here on March 24 when the emperor passes through Venice on the way to his villa on the island of Corfu. If Empress Augusta Victoria accompanies Emperor William on the trip Queen Helena will come to Venice to greet her.

TO RESUME NEGOTIATIONS.

Washington, March 11.—Word was received at the department of justice tonight that Chairman Elihu Root and counsel for the New York, New Haven & Hartford railroad will be in Washington on Friday to resume negotiations for a settlement of the dissolution plans affecting that road.

DEMAND THAT PRESIDENT RELEASE "MOTHER" JONES

United Mine Workers Petition Wilson at Washington for Aged Woman's Release—Say Federal Intervention Needed in Colorado.

Indianapolis, Ind., March 11.—Declaring that federal intervention is sorely needed in Colorado, officers of the United Mine Workers of America late today sent a telegram to President Wilson at Washington demanding the release of "Mother" Jones. The telegram follows:

"We again protest against the outrageous treatment accorded 'Mother' Jones and demand her release from the Colorado military prison, where she has been confined for more than two months."

"Federal intervention is sorely needed in Colorado. We can ill afford to talk about protecting the rights of American citizens in Mexico as long as a woman 80 years old can be confined in prison by military authorities without any charge being placed against her, denied trial and refused bond, her friends prevented from communicating with her, her request for proper medical attendance denied and every right guaranteed by the constitution of the United States set aside."

The telegram is signed by John P. White, president of the miners; Frank J. Hayes, vice president, and William Green, secretary-treasurer.

PEORIA IRON WORKER RETURNS VOLUNTARILY TO PENITENTIARY

Edward Smythe One of Convicted Iron Workers Returns to Federal Prison at Leavenworth.

Leavenworth, Kansas, March 11.—Edward Smythe of Peoria, Ill., one of the twenty four members of the Iron Workers' Union whose conviction in the dynamite conspiracy cases the United States supreme court last Monday refused to review, today returned voluntarily and unaccompanied to the federal penitentiary here.

"Thought I'd just as well come on back and serve my sentence," said Smythe when he appeared in the office of Deputy Warden Zerbet.

Smythe immediately was "dressed in" and assigned to a gang of structural iron workers who are erecting a new wing to the prison. Three years was the sentence given Smythe. He first came here on New Year's Day, 1913. On Feb. 13, 1913, he was released on bond pending the hearing of his appeal.

PRISONER AT MARSHALLTOWN CHARGED WITH NUMEROUS CRIMES

MARSHALLTOWN, Iowa, March 11.—James S. Frear alias S. Homer Kemper, 30 years old, who has been known as a business man to his neighbors at State Center, Iowa, is in jail here charged with forgery by the Citizens' Savings Bank of Avoca.

He was arrested by detectives who claim he is also wanted in Syracuse, for the alleged forgery of eighty different notes. The detectives claim that Frear admitted to them that he operated in Indianapolis, Moine, Ill. and Omaha and that he also said he was a bigamist, having married a young woman at Omaha last December while he had a wife at Sydney, N. Y.

TWIN BROTHERS ENGAGE IN MORTAL COMBAT OVER TRIVIALITY

WESTFORK, Ark., March 11.—Shered and Benjamin Fields, twin brothers, 19 years old, had their first quarrel today. It ended in the killing of Benjamin. Shered asserted they quarreled over a trivial circumstance, that his brother attacked him with a knife, and in self defense he seized a gun and shot him. He was held pending investigation.

BONDS CLAIMED.

Springfield, Ills., March 11.—Four one thousand dollar bonds which have been in the state treasury since 1847 unclaimed, were today claimed by Cyrus French Wicker, grandson of former Governor French, whose signature the bonds bear. Mr. Wicker makes the claim as heir to his grandfather's estate. Attached to the bonds is a note dated 1857, signed by State Treasurer Moore saying the bonds had been placed in the treasury for safe keeping and until properly identified.

CONTRACTED OPTUM HABIT.

New York, March 11.—Dr. Herman Seibler, a prominent physician who confessed that he had acquired the opium habit while trying to cure patients addicted to the drug, was found guilty today of manufacturing opium without a license. He was sentenced to pay a fine of \$300 and spend ten days in jail but was granted a stay and released on \$3,500 bail pending an appeal.

MANY FAMILIES HOMELESS.

New York, March 11.—About 100 negro families were made homeless and several persons were slightly injured in a fire which late today destroyed four tenement houses in the negro colony and then spread to five other tenements in the rear. The fire caused a property loss of about \$200,000.

ANOTHER CHICAGO WOMAN ACQUITTED

COOK COUNTY JURY FREES MISS STANISLAWA CZEMEROWSKA

Verdict Releases Girl From Blame for Death of Frank Koczinski—Jurors Believe Woman's Story That Shooting Was Accidental.

Chicago, March 11.—Another acquittal of a woman who had slain a man was added to the long list of such verdicts in Chicago tonight when a jury freed Miss Stanislaw Czemerowska of the murder of Frank Koczinski. The girl shot the man to death after he had refused to fulfill a betrothal by marrying her. The defense was that the girl attempted to commit suicide and that the revolver exploded towards Koczinski when he tried to wrest the weapon from her. Miss Czemerowska went on the stand today and told her romantic story. She came to America from Poland with her parents seven years ago when she was 14 years old. Her parents returned to Europe two years later leaving the girl to fight her own battles.

She said that she had loved Koczinski passionately and when he refused to marry her, as he had promised, she decided to kill herself in his presence.

The state charged that she shot Koczinski to prevent his marrying another girl.

Twelve Others Freed.

Among the women freed of murder charges in the last several years were:

Mrs. Dora McDonald, acquitted of murdering Webster Guerin.
Lucile McLeod, acquitted of slaying man while he slept.
Estelle Stout, freed of killing Henry Hornberger.

Mrs. Jane Quinn, acquitted of killing husband, John M. Quinn.

Mrs. Irene B. Morrow, tried on charge of killing her husband.

Mrs. Sadie Blaha, acquitted of killing Morris Stum.

Mrs. Louis Vermilya, jury disagreed.

Mrs. Harriet Burnham, acquitted of murdering husband.

Mrs. Elizabeth Buchanan, acquitted of killing Josie

TOURNAMENT WINNER DOUBTFUL

MINOR COLLEGE BASKETBALL TEAMS TO COMPETE.

Games Will Be Played at Bloomington and Deposit Figures Out Final Standing—Will Be Hard to Pick All-Star Teams.

(Special to Journal)
Decatur, Ill., March 12.—Who will win the shield and what teams will finish second and third in minor college basketball tournament to be held Friday and Saturday at Bloomington? That is the question that has been puzzling the coaches of the eight teams which were successful in the preliminary tournaments at Decatur last week. Local dopesters have worked out the following order for the standing of teams at the finish:

Millikin.
Hedding.
Normal.
Wesleyan.
Bradley.
Augustana.
McKendree.
Illinois College.

That lineup will not look at all favorable to the rooters of at least three towns, namely, Bloomington, Normal, Peoria and Jacksonville. Bloomington, with two good teams, Wesleyan and Normal, is picking at least one of its teams to be in the finals, if not both. Bradley (Polytechnic) rooters will never consent to its star quintet to finish in fifth place, at least not before the tournament, while Illinois college hopes for anything but the last place. And yet, when the records of the two tournaments are compared and considered, the above ought not to miss the result very far.

Schedule of Tourney.

Following is the schedule for the tourney:

FRIDAY AFTERNOON—Game 1.—Hedding vs. McKendree at 2:30. Game 2.—Bradley vs. Wesleyan at 3:30.

FRIDAY NIGHT—Game 3.—Normal vs. Illinois College at 7. Game 4.—Millikin vs. Augustana at 8. Game 5.—Loser game 1 vs. loser game 2 at 9.

SATURDAY MORNING—Game 6.—Loser game 3 vs. loser game 4 at 9. Game 7.—Winner game 1 vs. winner game 2 at 10. Game 8.—Winner game 3 vs. winner game 4 at 11.

SATURDAY AFTERNOON—Game 9.—Winner game 6 vs. loser game 7 at 2:30. Game 10.—Winner game 5 vs. loser game 8 at 3:30.

SATURDAY NIGHT—Game 11.—Winner game 9 vs. winner game 10 at 8. Game 12.—Winner game 7 vs. winner game 8 at 9 for championship.

Following is the order in which the teams finished in each preliminary: At Decatur—Millikin, Illinois College, Wesleyan, McKendree. At Peoria—Hedding, Bradley, Normal, Augustana.

In accordance with the new form of making out the schedule, the winner of each tourney will play team No. 4 in the other, No. 2 in each will play No. 3 and so on. This will mean a hard row for the teams which finished third and fourth. To illustrate:

Normal-Illinois Game
Hedding, which finished first at Peoria, should win from McKendree without much trouble, and Millikin, which won first at Decatur, should win from Augustana just as easily. The Bradley-Wesleyan game should be the best in the first round and Wesleyan should win it, taking into consideration that Wesleyan will be playing on its own floor and that the Bloomington team defeated Bradley at Peoria not long ago. Normal should also win comparatively easy from Illinois college. Illinois college had an easy time getting into the finals at Millikin due to the change in schedule when Shurtliff dropped out.

Speaking of Shurtliff, it is hoped that the coaches at their next meeting will devise some way to punish a school which gives no intimation or dropping out of a contest will the programs are ready to print.

Hedding should win from Wesleyan in game No. 6 as the Bloomington team will be worn out from its clash with Bradley and is exceedingly weak on substitutes. Millikin's hardest game should be with Normal, and granting that Millikin wins here, will go against Hedding in the finals.

Fighters For Third Place.

Wesleyan and Normal are picked to fight for third place with the chances in favor of Normal. Should Normal beat Millikin and Wesleyan beat Hedding, Normal and Hedding will battle for first place. Or should Bradley beat Wesleyan and Hedding, that team will meet either Millikin or Normal in the finals.

Augustana, once a much touted team, is not expected to last long. Should Illinois college beat Augustana in game No. 7, Illinois will rank sixth and Augustana, fourth.

Peoria Tournament Better.
The tournament at Peoria was far ahead of that at Decatur from several standpoints. Six good teams fought for places at Peoria with only three at Decatur. There were eight teams in the Peoria contest and Shurtliff's default left only six at Decatur. The Charleston squad could hardly be called a team while Lincoln proved easy for all opponents. Wesleyan failed to show class in the game with Millikin and the best battle at Decatur was that for third place between Wesleyan and McKendree.

The order in which the four losers were eliminated at Peoria follows: Lombard, Eureka, William and Vashita and Carthage. Lincoln was fifth and Charleston sixth at Decatur. Millikin placed three men and Wesleyan two on the all star team at Decatur. Bradley placed three and Hedding and Normal one each on the all star team at Peoria. They fol-

low: At Decatur: Forwards, Elliott of Wesleyan and L. Kik of Millikin center. Miller, Millikin; guards, Catlin, Millikin; Rust, Wesleyan. At Peoria: Forwards, Coleman, Hedding and Nelson, Bradley; center, Courtwright, Normal; guards, Stevenson and Hill, Bradley.

Hard to Pick Star Team.
The officials and dopesters at Bloomington will have a much harder task picking the all star team this week than they did last. They will have twice as many stars to pick from and all ten of these men as well as several on the second teams will have to be considered. It will be interesting to note which section, northern or southern, will place the most men on the all-star first and second teams.

BIG MINSTRELS COME TOMORROW NIGHT.

Lew Dockstader, "That fellow of infinite jest," who is to appear at the Grand tomorrow night, is again associated as joint-star with his old partner, George Primrose. They are presenting a big spectacular revival of 20th century minstrelsy, with an all-prominent company of burnt cork celebrities. Mr. Dockstader says:

"The better the excuse, the later you can stay up."

"It's a wise father that recognizes the contents of his pocket the next morning."

"A word to the wise makes them lay down their cards."

"It's a long lane and success lies beyond the turn."

"Some men are born great, only to have littleness thrust upon them."

"When the street car gets blocked, think what a fine game golf is."

"Nothing disgusts a woman so much as to have her husband keep right on clerking in a downtown store after she has told his fortune in a teacup and found that he is going to become rich."

BUSINESS CHANGE.

After more than thirty years spent in the practice of dentistry, I am, because of my health, obliged to discontinue and I want to thank my friends and patrons for their confidence and liberal patronage during this long term of years, and to introduce my successor, Dr. F. C. Noyes, who comes to Jacksonville with the highest recommendations and whom I know to be a skillful and conscientious dentist. I would ask for him the same liberal patronage you have given me.

Dr. W. W. Schermerhorn.

Having purchased the practice of Dr. W. W. Schermerhorn, I shall take possession of his office at 317 West State street on March, and trust that I shall be favored with the same liberal patronage that has been bestowed upon Dr. Schermerhorn.

Dr. F. C. Noyes.

TIME CHANGED FOR DEBATE.
The annual joint debate between Phi Alpha and Sigma Pi Literary societies of Illinois college will be held Thursday evening, March 19, instead of on Friday, the 20th, as at first planned. The change was made necessary by the coming of the Irish Players, who will play in Jacksonville on the latter date. The contest will probably be held in the college chapel.

As submitted to Illinois college by the Tri-league, the question for debate this year is "Resolved, that the Federal Government should control the express business of the country—the term 'control' meaning to own and operate. (Constitutionality granted.)" The Sigma Pi debaters are Clifford Dixon, Edward Bullard and Ellis Spray and the Phi Alpha men are Ray Bracewell, Clarence Kimmel and Robbins Russell.

ORDERS SPECIAL INSPECTION.
Capt. L. P. Owen of Co. B, I. N. G., received a message from Col. Wood Wednesday afternoon stating that a special inspection of Co. B, would take place Friday night. Col. Wood has been ordered by Adj. General Dickson to inspect his regiment by companies, giving special attention to arms.

RETURNS TO DENVER.
Charles Crum, who was called here on account of the death of his father, John W. Crum, and who has since been visiting with relatives in the city, left Wednesday afternoon at 1:20 o'clock for his home in Denver, Colo.

ALL THE NEW SPRING MODELS IN COATS, SUITS, DRESSES, SKIRTS, WAISTS AND MILLINERY ON SALE AT HERMAN'S.

QUICKLY PUTS A QUIETUS ON A COUGH OR COLD

You save money when you buy Foley's Honey and Tar Compound, because only a few doses are needed to check a cold, stop a cough, and soothe the raw inflamed surfaces. Foley's Honey and Tar Compound has always been a favorite family medicine with particular people, because of the entire absence of opiates or harmful drugs, because it is mildly laxative, instead of being constipating and because delicate persons and children take it without its ever disturbing the stomach in any way. It has superior healing qualities, and is quickly and thoroughly effective for coughs, colds, croup, whooping cough, la grippe and bronchial coughs, stuffy wheezy breathing, and for any sore or inflamed condition of the throat and lungs. So many people who do not cough at all during the day time, find themselves unable to sleep at night owing to a tickling throat and hacking cough. A few sips of Foley's Honey and Tar Compound will entirely relieve this condition. It is also excellent for the chronic coughs of elderly people. In 25c, 50c and \$1.00 sizes. The genuine is in a yellow package. Remember the name, Foley's Honey and Tar Compound, and do not accept any other. For sale by City Drug Co., J. A. Obeymeyer—Adv.

ROUTT COLLEGE TEAM DEFEATS HIGH SCHOOL

SCRAPPY GAME AT LIBERTY HALL IS WITNESSED BY LARGE CROWD.

Purple Players Display Better Team Work, But Are Made to Take Long Chances by High School's Guarding.

In one of the fastest and scrappiest basketball games ever played at Liberty Hall, the Routt College High school team defeated the Jacksonville High school Wednesday night by a score of 22 to 20. The contest was witnessed by about two hundred people and their appreciation of the game was evidenced by loud and continuous cheering.

From the beginning of the contest both teams were in the game and played with a vengeance, the Routt men determined to win after one defeat by the Red and the Jacksonville High players with an equal determination to make their previous victory all the more secure. The Purple players displayed better team work but were unable to get close to the basket with the ball, owing to the efficient guarding of their opponents and this resulted in taking of long shots. The second half was featured by these long throws in which Froelich and Groves almost divided honors. At the end of the first half the score was 11 to 10 in favor of Routt and in the first five minutes of play in the second period Jacksonville High scored seven points. This was quickly overcome, however, but just a few minutes before the end the score was tied Froelich then made one of the long throws, which went true, deciding the game for his team by a score of 22 to 20.

There were no particular stars in the game, every man playing to his utmost. In the matter of point getting, however, Walt, Jacksonville's little forward and E. Pyatt were the most successful of their team-mates. Next Friday night the Routt team will play White Hall.

The line-ups and individual scores follow:
Routt—Groves, c. 4 field goals; Walsh, r. f., 2 from fouls; Clancy, l. f., 1 field goal; Froelich, r. g., 5 field goals; Maloney played left guard.

Jacksonville—Sutherland, c. 1 field goal; E. Pyatt, r. f., 2 field and 4 foul goals; Walt, l. f., 4 field goals; J. Pyatt, l. g., 1 field goal. Smith played right guard.

Officials—Harmon, referee; Pieper and Reynolds, timers; Donovan, scorer.

After the contest Coaches Hixon and Donovan and Capt. Groves entertained the Routt players at a supper at the Batz cafe.

IS GIVEN SURPRISE.

Mrs. Luther Wiley, who resides four miles from Alexander, was given a very pleasant surprise Wednesday afternoon, the occasion being her thirty-seventh birthday. As the roads were in such a condition that all of the guests could not get to the Wiley residence and Mrs. Wiley was invited to the residence of Mrs. E. B. Six, where the guests assembled. Mrs. Wiley was not given a hint as to the party, and was completely taken by surprise when she saw the gathering. The afternoon proved a most pleasant one and refreshments, brought by the guests, were served.

TANGO TEA DANCE

Thursday night, Degan's Hall, 10 and 35. Mrs. L. McDougall. Tickets for Blind Boone concert at Hopper's shoe store.

WILL READ AT LIBRARY.
Miss Helen Allen, assistant in expression at the Woman's college, will appear at the library this afternoon in the first of a series based on "Heroes and Hero Worship" of Carlyle. Miss Allen was excellently received on a previous occasion when she read at the library and a goodly attendance is expected this afternoon from among the residents of Jacksonville who appreciate good literature and its proper delineation. The entertainment will begin at 4 o'clock.

BEST VALUES IN COFFEE

Are to be Found at
ROBERTS BROS.

All our Coffees are good purchases. We keep the drinking quality uniform regardless of what may be happening on the market and it would be hard to match values with us. Price for Price and Quality for Quality, we buy in bulk—we sell in bulk and by so doing give to our customers The Best Values and Less the Cost of the Packages.

ITEMS OF INTEREST

Sugar Corn—We now have this wholesome food in Evaporated form at 15 cents per pound. One pound is equivalent to 3 cans of corn.

Cranberries packed under the Oriole brand. Evaporated and one package is equal to one quart of Fresh Cranberries, 10c.

Finest Bismark Herring in Glass ready to eat, only 10c.

Blue Sea Tuna Fish, the finest packed—the original brand—packed by Southern California Fish Co., San Pedro California, No. 1 Tins, 25c.

Pure Georges Cod Fish—The finest to be had at any price. Not a bone, pure, pearl white Cod Fish 2 lb. wood boxes 45c. You might match the price, but how about the quality?

Our method of serving our patrons compels us to carry goods of quality only. We cannot risk taking "chances" and if you were here and could see us selecting our stocks you would learn that a low price alone has little attraction for us. We must look first of all to quality. Our entire extensive stocks are bought on this basis, and if you really do want to buy the best for the least money strike up an acquaintance with us.

To think that a saving in prices is the only benefit to be gained in dealing with us is to make a mistake.

The Two Roses
In Two Parts

A GREAT SOCIETY DRAMA

Ernest Haven, a red-blooded, passionate man, marries Edith who is his direct opposite, cold and aristocratic, a type of the white rose of which she is passionately fond. As years pass they drift, still on one of their anniversaries Ernest goes to the florist to buy a bunch of white roses. There he encounters Eleanor Tempest, who is buying red roses. The vivacious brunette throws a glance at Ernest and soon there is a mutual understanding. They meet again and one day he orders two boxes of roses, one white for his wife and one red for Eleanor. The errand boy mixes the boxes and Edith discovers that there is another woman. The husband and wife quarrel and eventually a divorce is granted. Ernest marries Eleanor and they have a girl baby. One day Ernest meets Edith's little son, and the boy refuses to embrace his father because he has made his mother unhappy. Later the boy has a severe sickness and the doctor advises that the father be sent for. That night Ernest and his first wife sit up and watch the boy until the crisis is passed. Edith then tells Ernest that they must part again and forever, but the man finds himself being drawn back to his old home. Returning one night to the new home he finds that Eleanor has gone to a ball with another man, and the baby girl, who has been sickly, is dead. Later he catches his wife in another man's arms and throws him out of the house. Edith's boy who can see that his mother is unhappy, writes to his father to come and make mamma well. Eleanor receives the note and reading it resolves to undo the wrong she has committed. She goes to the house and finds Ernest and Edith embracing. She then joins her lover for a ride. The auto is wrecked and Eleanor is killed. Edith and Ernest seal a new pact with a lovers' kiss.

CAST—Ernest Haven, Edward J. Pell; Edith Haven, Ormi Hawley; Eleanor Tempest, Ada Charles; The other man, Richard Morris.

NICHOLS PARK GUN CLUB

HOLDS SEMI-MONTHLY SHOOT

Good Scores Made by All the Shooters—Seven on a Side Event Proved Interesting.

The semi-monthly shoot of the Nichols Park Gun club was held yesterday. The attendance was not so large on account of the bad roads and inclement weather. The first shooting was for 160 pounds of bacon and everybody secured meat.

In the ten bird re-entry match, there were 18 entries and A. M. Masters was high, missing four out of 40. H. Zahn and James Groves tied for second, both missing 7 out of 40.

Sides were next chosen with Samuel Perry and Frank Vickery as leaders. 10 birds apiece were shot and Perry had on his side, Abner Obermeyer, Walter Helenthal, Cort Corrington, Harry Kilner and J. Meany. Mr. Vickery—A. M. Masters, Charles Magill, H. Zahn, Edgar Martin, J. B. Corrington and Chas. Gilbert. The results were as follows:

First shoot.
Perry's side 58
Vickery's side 54
Second shoot.
Perry's side 52
Vickery's side 51
Third shoot.
Perry's side 48
Vickery's side 50
In the double bird event, H. Zahn was high with 9 out of 10; Frank Vickery second, with 8 out of 10; James Groves, third, with 7 out of 10.

ASSISTANCE GIVEN PRAISED BY OFFICIAL

Alton Superintendent Commends A. G. Sprague For Bravery in Storm.

During the recent blizzard when the Jacksonville accommodation of the Alton was stalled at Davis station, the brakeman was compelled to walk to Jacksonville through the storm and drifts. A. G. Sprague of Roodhouse, was one of the passengers on the train and he consented to accompany the brakemen in Jacksonville. Recently Mr. Sprague got a letter from S. P. Henderson of Bloomington, division superintendent of the Alton. The letter reads as follows:

"Mr. A. G. Sprague,
"Roodhouse, Ill.
"Dear Sir:—My attention has been called to your action while a passenger on No. 23, Feb. 22nd, on which date we had a severe snow storm and you so kindly accompanied one of our flagmen to Jacksonville, it being impossible for one man to make the trip alone.

"I desire to express, not only for myself, but for other officials of the company, our appreciation of the assistance you rendered the company on this occasion.

"Yours truly,
"S. P. Henderson."

THE JUDICIAL CAMPAIGN.

In other counties of this judicial district the claim has been made for Hon. Norman L. Jones, Judge Baldwin's opponent for the nomination for Circuit Judge that he would carry Morgan county, or at least get an even break. The facts do not justify this claim and Mr. Jones is likely to get the same vote proportionately in Morgan county that Judge Baldwin will receive in Greene county. Both candidates have been active in practice of the law and have held official position and neither would think for a moment that the electors of their respective counties would be unanimous, even for a home man.

Many local democrats believe that the nomination of Mr. Jones would weaken Rainey's strength in Morgan county. They argue that the support given Mr. Rainey here for years in the past should lead him to keep hands off so far as aiding in the election of a Greene county man for the judgeship as against the Morgan county candidate.

It is further contended by local Democrats that the defeat of Judge Baldwin means the loss of a Circuit Judge for the unexpired term of Judge Thompson and the term following as it would be next to the impossible to defeat the man succeeding Judge Thompson after one year's service.

The Journal occupies the position of the interested spectator. Financially and otherwise it does mean much to Morgan county to retain a resident circuit judge and Democrats are aroused to its full importance.

There will be no even break between Judge Baldwin and Mr. Jones in Morgan county. Unless Democrats, who are familiar with the situation are greatly misled Judge Baldwin will carry Morgan county by a decisive majority.

JAMES BOURN OBSERVES SEVENTY-SIXTH BIRTHDAY

Passes Quiet Day Wednesday at His Home on Routt Street—Has Been Morgan County Resident for Fifty-five Years.

James Bourn quietly observed the 76th anniversary of his birth Wednesday at his home at 840 Routt street. For fifty-five years he has been a resident of Morgan county and his life in this community has been an example of integrity and usefulness. Since he first came to America over a half a century ago, Mr. Bourn has been a hard worker and a man of wholesome influence and he stands well among those who left England in the early days and transferred to the land of their adoption the loyalty with which they were imbued in the Mother Country. James Bourn was born in Worcestershire, England, in 1838, and came to America in 1857 and to Jacksonville in 1858. For many years he worked as a carpenter and many of the old houses of Jacksonville bear testimony of his handiwork. The old Stacy home on South Clay avenue was one of the early houses which he helped to build and over a dozen of the doors in that house were hand carved by Mr. Bourn. In a few years he accumulated enough money to buy the old Bourn farm northeast of the city. In 1858 he was married to Mary A. Richards and she has for all these years been his true helpmate in his business career until now in the autumn of their lives they are living at their present home with their daughter, Miss Minnie Bourn, who looks after them during their declining days.

It might be interesting to state that Mr. and Mrs. Bourn were married in the building now occupied by the Jacksonville Tailoring establishment, which at the time was the tailor shop of Henry Cocking.

DERAILMENT DELAYS TRAFFIC.

The derailment of a freight train at Litchfield Wednesday morning caused quite a little delay of traffic on this branch of the Burlington. The engineer of the freight ran his engine through a de-rail, which caused the trouble. Superintendent F. Cone and Trainmaster Lamb went to the scene to superintend the clearing of the track and it was not until about 6 o'clock last night that through traffic was resumed. South bound passenger No. 12, which goes through this city at 7 a. m., went as far as Litchfield and returned and No. 47, northbound, due here at 11:20 came north only as far as Litchfield. The afternoon north bound train due here at 4:50 was about two hours late.

HAD FINE WINDOW DISPLAY.

Charles A. McHatton of the Schmalz & Son grocery store received a letter of thanks inclosing a check recently from the Kellogg Toasted Corn Flake Co. in appreciation of an artistic window display which he arranged during the holidays. The company rewarded Mr. McHatton without any solicitation on his part and printed a picture of the window in question in the March issue of the "Square Dealer," a trade paper which is sent to all parts of the country.

JAMES H. SHAW WEDS

MISS RUTH HEMENWAY

Ceremony Took Place in Bloomington With Rev. Theodore Kemp and Rev. Hy S. Alkire Officiating—Wedding Trip to Europe.

Bloomington—Pantagraph—The marriage of Miss Ruth Hemenway, daughter of Dr. Henry B. Hemenway of Evanston, and Mr. James H. Shaw of this city, was solemnized yesterday morning at 10 o'clock at the Park Methodist Episcopal church. Rev. Theodore Kemp, president of the Wesleyan University, assisted by Rev. H. S. Alkire, was the officiating clergyman. The full Episcopal ceremony was used, the couple being unattended. Only the immediate relatives of the couple witnessed the ceremony, and because of the advanced age of the groom's mother and aunt, the ceremony was said in Bloomington instead of in Evanston, the home of the bride. Immediately following the ceremony the wedding party enjoyed a bountiful dinner, served at the home of Mrs. Kate Dean of South Center street, aunt of the groom, the decorations being in keeping with St. Patrick's day.

The couple departed yesterday afternoon for Boston, from where they will sail on Saturday on the steamer Conopio of the White Star line for Naples. They will go by way of Gibraltar and Azores. From Naples they will go to Rome, and will visit Florence, Venice, Milan, Lucerne, Geneva, Switzerland, Paris, France; London, England, and will sail for South Hampton on the steamer St. Paul of the American line about the middle of April. Mr. and Mrs. Shaw will return to this city the latter part of April and will reside at the home of the groom, 705 South Center street.

Mrs. Shaw is a reader of exceptional ability, and has read in many states and has filled engagements in cities of all sizes. She graduated from the Chicago art school in the Northwestern University and afterward taught public speech in the Wesleyan University. For eight years she was engaged in chautauqua reading, but of late has been doing sermonic readings.

Mr. Shaw has made Bloomington his home all of his life. He is the son of the late Dr. James Shaw, a pioneer Methodist minister. He graduated from the law and literary departments of the Wesleyan and practiced law for three years. For the past fourteen years however, he has been engaged in chautauqua work and is one of the most successful chautauqua men in the country.

Niemeyer-Church.
Mr. Cobus Niemeyer and Miss Ethel M. Church were married Wednesday afternoon at 1 o'clock, at the parsonage of the Salem Lutheran church, the pastor, Rev. J. G. Kuppler, officiating. The young people are from Tallula and expect to live on a farm near that place.

"THE ILLINOIS HEN."
"The Illinois Hen," is the subject of J. C. Johnson of Petersburg, one of the out of town speakers at the annual banquet of the Morgan County Poultry association which will be held at 7:00 o'clock this evening in the Odd Fellow's Temple, East State street. Mr. Johnson is a representative of the American Poultry association and is a man of much practical experience. Another noteworthy address will be given by Dr. A. W. Foreman of White Hall, who will take as his subject "The Frills, Follies and Fables Connected with Poultry Culture." H. C. White of Greenfield will talk on "Good Roads and Poultry" and I. A. Engel of Latham, Ill., will speak on "The Earmarks of an Honest Breeder." Besides these experts from out of the city several local men will appear among the speakers and the program as a whole promises to be a very good one.

BLIND BOONE TONIGHT.

IS RECOMMENDED FOR

U. OF I. SCHOLARSHIP.
Miss Erma Elliott of 1609 Mound avenue, a member of the class of 1914 at the Woman's college, has received the award of the University of Illinois graduate scholarship. Announcement of the decision of the faculty to recommend Miss Elliott was made Wednesday morning at the chapel exercises. The choice of the faculty meets with general approval as Miss Elliott has shown special ability throughout her entire course and has been classed among the "A" students. She will take graduate work in mathematics, carrying on the work started already in the Woman's college where she showed special mathematical ability. Twenty-eight of her total credits are in this subject.

Miss Lois Coultas of Winchester, who was awarded the scholarship last year is specializing in German. Dr. Harker has received reports highly favorable to her work at the state university and she will hold a high rank in her class when she is awarded her master's degree in June.

ENTERTAINED CLUB.

Mrs. W. J. Wyatt entertained the Eureka club at her home in Franklin Wednesday evening. A delightful time socially was spent and refreshments of scalloped oysters, sandwiches, deviled eggs, fruit salad with whipped cream, wafers and coffee were served. Among those present were Mr. and Mrs. F. Patterson and Mr. Patterson's mother of Springfield, Mr. and Mrs. C. H. Wyatt, Mr. and Mrs. George Wyatt, Mr. and Mrs. Grover Grimsley, Mrs. Olive Mayfield, Mr. and Mrs. N. Z. Reinbach and daughters, Gloria and Vivian, Marion Roberts and Paul Haire.

SISTER OF GENERAL CAMPBELL BURIED IN DIAMOND GROVE

Unsigned Letter to Hon. Richard Yates Gives Interesting Facts About Family Famous in Days of Revolution.

When Hon. Richard Yates was in Jacksonville Monday to make an address at the unveiling of the tablet erected in memory of soldiers of the Revolution buried in Morgan county a letter was addressed to him to be read on that occasion but it was not received until too late for use. In the letter the writer mentioned the interesting fact that a sister of General Campbell of Revolutionary War fame lies buried in Diamond Grove cemetery and some other interesting facts are set forth.

The following letters are self explanatory.

Chicago, Illinois,
March 10, 1914.

Editor Journal,
Jacksonville, Illinois.

Dear Sir:

Will you please make room in your columns for a publication of the enclosed letter which came to me too late for use in my address of yesterday.

I think this is a most interesting letter, inasmuch as it states that the remains of sister of General Campbell of Revolutionary War are buried in Diamond Grove cemetery, Jacksonville, Ill.

It is not every community which has been made the home of a lady who actually had General Washington as a partner at a dance.

Yours very truly,
Richard Yates.

Jacksonville, Illinois,
February 23, 1914.

Hon. Richard Yates,

Dear Sir:

If in your opinion the following statement would be interesting to the D. A. R. and to the Historical Society of Illinois, it might be read after your address and be of interest to your audience, viz:

The remains of the sister of General Campbell of Revolutionary War, who married Samuel Denniston of Pittsburgh, Pa., are buried in Diamond Grove cemetery. In that war she cut off the necks of the bullets for the soldiers, made clothing and did other work for their benefit. She personally knew Lafayette and many of the men prominent at that time when she was a little girl. General Washington often nursed her on his lap, and she once danced with him as her partner.

Among her grandsons, one served as a soldier in Mexican war, and including him four others served in the Civil War, and the youngest sought to enlist but was rejected on account of size and age.

Three others served in civil capacity in the war.

I add, that after the Revolutionary war the Denniston family cared for Mollie Pitcher—heroine of that war—in her declining years.

Respectfully,
A Grandson.

JAMES H. CALDWELL.

IS SERIOUSLY ILL.
James H. Caldwell, northwest of the city, is at Passavant hospital dangerously ill with cancer of the stomach. Mr. Caldwell is well known in Morgan county, having a number of relatives in the community. He was at one time janitor of the court house and moved some years ago to Arenzville. He was taken ill a short time after returning to the vicinity and has been confined to the hospital about two months. His condition Wednesday night was very serious.

CAUSES TRIAL.
At Franklin yesterday the case of Charles Beerup and Martin Anderson against Bert Sittion was argued in Squire William Hart's court. Judge Layman appeared for the complainants and W. N. Hargrove for the defendant. The jury which heard the evidence failed to agree and the attorneys then agreed to argue the case before the court without a jury and Squire Hart took the case under advisement. Mr. Sittion sold the complainants a horse for \$135 which they claim was not sound and the defendant maintains that he gave no guarantee with the animal.

NEW DEPUTY SHERIFF NAMED.

Sheriff Rogers announced yesterday that he has chosen W. H. Weatherford as deputy sheriff to succeed W. F. Todd who recently resigned to become superintendent of the Morgan county home. Mr. Weatherford who is to enter upon his duties next Monday, is now in the employ of the A. Thompson Produce company. Prior to coming to Jacksonville a few years ago he was a resident of Waverly. He is held in high esteem by Mr. Thompson, by whom he had been employed for several years and is accounted as well qualified for the position he is to assume.

Gossips

BY WALT MASON

The gossips are a noisome bunch who play an ugly game; they'd leave the finest Waldorf lunch to mangle some one's fame. They're prone to injure all they touch, with their long tongues and jaws, and yet they cannot hurt you much unless you give them cause. The man whose life is circumspect, who minds the Golden Rule, won't see his reputation wrecked by any prating fool. And those who suffer most from talk quite often are the guys who hear a tale and walk a block to put the neighbors wise. I often say, with Virtue's tongue, "The gossips I abhor," and then I tell how Sandy Bung ran off with Mandy Door. The noxious deeds that others spring we righteously despise, and then we do the self same thing, dad bust our pious eyes! We all are gossips, more or less; with glee we trot along to tell about our fake distress when some good man's gone wrong. On Smith and Jones we're keeping tab, and if they make a break, we'll stand around the streets and gab until our windpipes ache. So when we roast the gossip vile who deep in scandal delves, 'twere well to pause a little while and just size up ourselves.

THIS IS MY 80TH BIRTHDAY.

Hilary A. Herbert.

Hilary A. Herbert, who was Secretary of the Navy in the second administration of President Cleveland, was born in Laurensville, S. C., March 12, 1834. He removed with his family to Alabama when 12 years of age and received his early education in that state. Later he attended the University of Virginia. In the civil war Mr. Herbert served as colonel of an Alabama regiment of volunteers and was disabled at the battle of the Wilderness. After the war Mr. Herbert began the practice of law at Greenville, Ala., later removing to Montgomery. In 1877 he was elected a representative in congress and continued to serve for sixteen years, until his appointment as a cabinet position by President Cleveland. After his retirement from the cabinet Mr. Herbert continued to reside in Washington, devoting himself to the practice of law and also to literary work.

To the Housewife.

Madam, if your husband is like most men he expects you to look after the health of yourself and children. Coughs and colds are the most common of the minor ailments are almost likely to lead to serious diseases. A child is much more likely to contract diphtheria or scarlet fever when it has a cold. If you will inquire into the merits of the various remedies that are recommended for coughs and colds, you will find that Chamberlain's Cough Remedy stands high in the estimation of the people who use it. It is prompt and effectual, pleasant and safe to take, which are qualities especially to be desired when a medicine is intended for children. For sale by all dealers.—Adv.

CHEAP CORN.

A former resident of this city, son of one of our best citizens and now traveling man, said yesterday that in Minnesota he saw lots of corn selling at 40 cents a bushel and many cribs of it filled along the railroad. It seemed strange to them up there that in the heart of the corn belt we should be paying 65 to 75c for the useful grain. He said he saw in Sangamon county a few weeks ago corn sell for 53 cents in the crib or 60 on board cars. Throughout Indiana and Ohio where he has traveled extensively he says he found a seeming plenty of corn and hay.

NICHOLS PARK COMMISSIONERS PLAN FOR ACTIVE YEAR

Various Improvements to Be Made Before Opening Day—Board Looking For Some One to Provide Fund For Deer Purchase.

The Nichols park commissioners are making arrangements to push things this year as far as their means will permit.

The Nichols ball club has made arrangement for the use of the park during the season and already have arranged for several games and have more in prospect. It is the intention of the club to put on a number of good games and make things as interesting as possible. They are also contemplating the erection of more bleachers and possibly a wire fence as it is a sad fact that there are spongers who are small enough to be willing to see a game without paying for it if they can.

The commission has a fine opportunity to buy three deer, a male and two females and start a deer park worth the while but lack of funds stares them in the fact. It would be simply delightful to see a nice enclosure with a lot of deer, big and little. Does any generous soul feel like donating say about \$200 to \$250 for this purpose? This would buy the deer, erect the necessary fence and shed for the pretty animals and the park would feed and care for them and right east of the lake is a triangle of land well suited for the purpose. If any one will do this a large sign will be placed on the fence.

Deer, two does and one buck; Presented by (here the name of the donor.)

The commission hopes somebody will give this matter serious consideration.

It was intended to have the band stand moved to the vicinity of the pavilion but the enterprise wasn't begun soon enough and now will probably have to wait until next winter. A committee on trees has been named and all the spare cash possible will be devoted to filling in vacant places with native forest trees.

The refreshment privileges have been let and it is the intention to conduct that department in a strictly up to date, neat and wholesome manner and at popular prices. There was some talk of establishing a golf links out there and the commissioners are ready to lend every facility possible for the purpose and would like to see it done though nothing definite yet has been attempted.

Another great desire of the board is a swimming and wading pool and only lack of funds prevents this. The matter will have serious consideration this season and something may be done if funds will permit.

SEEK FOR MAN WHO GAVE WORTHLESS CHECK

J. A. Sealf is Wanted for Several Mistakes Here—Authorities in Other Cities on Lookout Too.

Warrants were sworn out yesterday in Squire W. T. Dyer's court and delivered to Sheriff Rogers charging J. A. Sealf with obtaining money under false pretenses. A warrant is also in the hands of Chief of Police Davis and the authorities in a number of cities are on the lookout for this offender against the law.

The specific wrong doing with which Sealf is charged is drawing checks on banks where he had no money and in paying for merchandise with checks of this kind. He has been very bold in his operations and it seems very likely that he will be apprehended and brought to trial. The first charge against Sealf is that of wiring from Cairo to a bank at Grafton to honor his draft for \$100. Subsequently he drew \$75 of this sum and the forgery was discovered. That was four years ago and when a few weeks since he came to this city to attend the funeral of a relative he was arrested and a warrant sent to the Grafton banker. The latter came here and Sealf said he could pay the amount due and went to a local bank and gave a worthless check on a Springfield bank, which was honored. Subsequently he bought goods in two or three local business houses and gave checks which were returned with "no funds" marked thereon. For these and other misdemeanors Sealf is to be brought to justice.

WELL KNOWN ELECTRICAL EXPERT COMES TO JACKSONVILLE

Miss Lippincott, of Harrison, N. J., Will Instruct Consumers in This City as to the Proper Method of Lighting Their Homes.

The Jacksonville Railway & Light company have secured the services of Miss Lippincott of Harrison, N. J., an expert on electrical illumination in the home, to demonstrate in Jacksonville homes for the next few weeks how to obtain the best light effect with the minimum use of current. The Jacksonville Railway & Light company have secured the services of Miss Lippincott at their own expense and she will visit as many homes as possible while she is in Jacksonville, and will show them, as only an expert can, how they can get better results at a saving in current.

Expert in Her Work.

Miss Lippincott is from the Edison Lamp works of the General Electric company, where she has been educated thoroughly in electrical work in the factory where the latest and best electrical appliances are made. She has a practical knowledge of the various electrical problems that confront the modern housewife. She knows all of the latest ideas on the proper way to economize in the use of electric current, but not at the expense of good service. The expert has been secured with the idea that Jacksonville housewives would like to know more about the electrical problems in the home. The actual experience that she has had in New York, Boston and other eastern cities will be of vast interest to Jacksonville women.

She will suggest changes in the location in order to secure the highest efficiency. She will also make suggestions as to the shades, and the convenient location of the switches, in order to turn off the light or part of the lights when they are not needed.

Will Explain Use.

Miss Lippincott will be very glad to answer questions on the use of electrical appliances and she will take orders for them if necessary. But it is understood that she is not an agent and is not in Jacksonville in the role of an electrical appliance seller. That will only supplement her purpose to help solve the electrical problems. Many women would like to know how to handle electrical devices such as the chafing dish, iron, and other modern appliances. She will explain all of these, without any obligations whatever upon the part of the listener to buy. The management of the Jacksonville Railway & Light company are anxious that their patrons co-operate with them in this work. They believe that in bringing a woman electrical expert to this city that the housewives will be only too glad to receive the benefit of her knowledge and experience as regarding the use of electricity in the home.—Adv.

George Cain expects to go to Minneapolis, Minn., Sunday, where he has taken a position with the Russell Milling company.

FOR PASSAVANT HOSPITAL.

Tuesday afternoon kind ladies of Brooklyn church met at Passavant hospital and spent the hours doing sewing. These good ladies and the devoted members of the regular hospital aid society have done an immense amount of work for this worthy institution and Miss Verner points with pardonable pride to her nice stock of sheets, quilts and other excellent results of the needles wielded by these good women. One of the nicest pieces of work recently attempted has been pillows for the furnishing of the new nurses' home and for that purpose some excellent work has been accomplished. Such an institution which makes a specialty of clean bed clothes and frequent washing, unavoidably wears out much material and there is nearly always something which these generous Dorcas can do and they are glad to do it. They will not lose their reward.

DEEP SNOW DRIFTS.

Persons residing in various parts of the county report snow banks holding on wonderfully. One gentleman said last week he drove through one as high as the top of his buggy top and several days later it had lowered but little. Another gentleman said yesterday he drove to the city from the northeast part of the county and going through a field encountered some of the worst driving he ever experienced. Occasionally a wheel would break through the crust and go down almost to the axle and then one on the other side would do the same. He was afraid several times he would break his spring wagon, but he managed to get into the city without it. One consolation is in the fact that the longer the snow lies on the wheat the better it is for the coming crop and up to date prospects were never better.

ESTRAY NOTICE.

Notice is hereby given, that on or about Jan. 21, 1914, the following goods were found by Rosel Mullins, in the village of Chapin, county of Morgan and state of Illinois, viz:

Twenty-eight pairs of shoes, four pairs of which were button and twenty-four pairs were lace. The above property is now at the residence of William H. Mullins, in the village of Chapin, Illinois, and unless the same is claimed by the owner on or before the expiration of six months from this date, will be turned over to the sheriff of Morgan county to be sold according to the law governing such cases.

Witness my hand this 11th day of March, A. D. 1914.

For the Stomach and Liver.

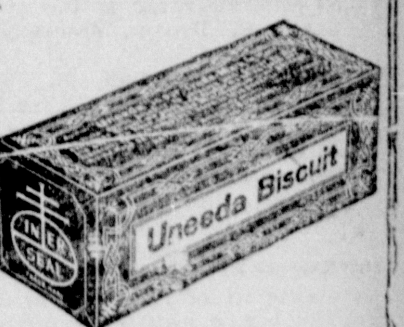

I. N. Stuart, West Webster, N. Y., writes: "I have used Chamberlain's Tablets for disorders of the stomach and liver off and on for the past five years, and it affords me pleasure to state that I have found them to be just as represented. They are mild in their action and the results have been satisfactory. I value them highly." For sale by all dealers.—Adv.

RETURN FROM EUROPE.

Misses Laura, Nettie and Emma Hayden all arrived home yesterday from a protracted tour abroad having attended the great Sunday school gathering at Zurich last year. They visited various parts of Europe while away and are glad to be at home again.

FIVE MINUTE CURE

IF STOMACH IS BAD

When "Pape's Diapiesin" Reaches Stomach, All Indigestion, Gas and Sourness Disappears.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs. Pape's Diapiesin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapiesin comes in contact with the stomach, all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.—Adv.

MOTHER! IF CHILD'S TONGUE IS COATED

If cross, feverish, constipated, bilious stomach sour, give "California Syrup of Figs." A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs." then don't worry, because it is perfectly harmless, and in a few hours all this constipation, poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!—Adv.

NOTICE OF SALE TO PAY DEBTS. ADMINISTRATOR'S SALE.

State of Illinois, ss.

Morgan County, ss.

In the County Court of Morgan County, to and of the March term, A. D. 1914. Probate.

In the matter of the estate of Sarah C. Brown, deceased. The Farmers State Bank & Trust Company as administrator of the estate of Sarah C. Brown, deceased, Petitioner, vs. John T. Reed, Annie E. SPORT NEWS

Club Will Not Be Sold.

Chicago, March 11.—"The Chicago National league baseball club will not be sold this year is my belief," John R. Thompson said tonight after receiving the report of his agent who had a long conference yesterday in Cincinnati with Charles P. Taft. "Mr. Taft would not set a price for the stock," Mr. Thompson said, "and as far as my agent could determine, he has not seriously considered selling his interest. He has scores of telegraphic and mail offers which he has not even answered and he as much as said to my representative that he had as much property interest in Chicago as any resident. He felt that he could be regarded as a Chicagoan."

When this news became known several of those who have been interested in the possible sale of the club asserted that the situation tended to confirm previously published reports to the effect that Charles W. Murphy never really owned a majority of the stock of the Chicago club and had not therefore sold it back to Taft. The same persons asserted that he recent retirement of Murphy was merely a nominal change of ownership, leaving Taft free to name a new president of the club, while Murphy remained inactively connected with the organization. In this connection, it was said that Charles H. Thomas, secretary of the club, might be elected president for this year under the present ownership.

Predict Dissolution.

Galesburg, Ill., March 11.—Dissolution of the little five college athletic conference was predicted here today as a sequel to a meeting of the athletic board of Knox college last night.

Discussion at that meeting brought out considerable sentiment in favor of a withdrawal from the organization and it was reported that similar sentiment exists at Monmouth college.

Should these schools withdraw, Lake Forest university and Beloit college would be left to compete for dual titles as Armour institute of Technology in Chicago has not been active athletically of late and has cut little figure, except in baseball and basketball.

The Knox authorities said today that the chief objection to the present organization is the distance it compels teams to travel. It was urged by proponents of withdrawal that athletic relations may be obtained with institutions of equal rank much nearer Galesburg.

Chinese Players Arrive.

San Francisco, March 11.—Fifteen Chinese baseball players and their manager, Hop Sing, arrived here today from Honolulu on the first leg of a seven months tour that will take the team over the country ending with a series of games to be played in Cuba during September.

The team is the champion of the Hawaiian baseball league and made a successful tour of this country last year.

SINCLAIR.

Mrs. G. C. Swain has a new incubator. The Queen is the name of it.

Mrs. Annie Brown of South East street is visiting her daughter, Mrs. Carl Brown.

Art Meens and Al Waterford are hauling coal to the places where they have to move.

Miss Myrtle Swain of the Berea neighborhood is visiting in this neighborhood for a few days.

Rev. H. F. Cusie was called to preach the funeral of Antonio Nunes and this makes five Sundays that he has been called from his regular appointments at Hebron. I guess we will have to dock him a little as no substitute can fill his place.

Amos Swain and Arthur and N. T. Fox shipped hogs Monday, March 9th.

Amos Swain has hired a man to work for him and live in his tenant house.

James K. Brown is gradually getting weaker and fear of his not pulling through.

J. H. Hester of Woodson went to Ashland Monday on business.

William Smith has purchased an oat seeder.

Miss Lizzie Hunter of South East street visited her brother, Frank a few days.

MERRITT.

Miss Mattie Quinn of Chapin spent Saturday and Sunday with home folks.

Sherman Emmons of Alsey and Miss Idyl Mullen of this city were married last Wednesday by Rev. J. P. Coates at his residence. They will make their home on a farm near Winchester. The best of wishes of their friends here go with them.

W. D. Hitt Sr., and W. D. Hitt Jr., were Jacksonville callers Monday.

Gerald Carpenter moved his family to Roseville Saturday, where he is employed as freight and express agent for the C. B. & Q. railroad.

Mrs. John Barry and daughter Robetne were week end visitors in Chapin.

Friends of George Hardwick, who was operated on for appendicitis in Peoria will be glad to know that he is getting along nicely and is on the road to recovery.

Mrs. W. D. Hitt has almost recovered from her recent illness.

Milwaukee, Wis., March 11.—All roads for fight fans lead to this city, where the most promising bout of the year is to be staged tomorrow night with Lightweight Champion Willie Ritchie and former Champion Ad Wolgast as the principals. The fight is expected to show whether Ritchie has gone back as a result of his many months of comparative idleness and if Wolgast has come back, as his good showing in his recent bout with Joe Rivers would seem to indicate.

It is now more than four months since Champion Ritchie has been seen in the ring. His last battle was a no-decision affair with Leach Cross in New York on November 10. Immediately after the fight with Cross the champion went to California to fulfill an engagement to box 10 rounds with Tommy Murphy. This bout was scheduled for December 10, but a few days before that date Ritchie developed an abscess of the nose and the bout was adjourned until January. Then Ritchie was incapacitated by another slight accident and the go with Murphy was called off.

Many critics are of the opinion that Wolgast has come back and will give Ritchie a surprisingly hard battle. They point to his showing against Joe Rivers as conclusive proof. Many other close followers of the game, while not caring to venture a prediction of a Wolgast victory, are of the opinion that the former champion will be able to stay the ten rounds.

The Ritchie supporters, on the other hand, believe that Wolgast will have no chance against the champion. They declare that Ritchie has improved since he defeated Wolgast and conped the title in the battle at Daly City on November 28, 1912. He has the advantage over Wolgast in the matter of age and the confidence that comes of holding the championship. They admit Wolgast's cleverness and his ability to deliver a telling blow, but they are of the opinion that he is no longer able to withstand the punishment that he could assimilate a few years back.

At their respective training camps the two fighters were reported today to be in excellent shape for tomorrow night's contest. Ritchie has been training faithfully since he arrived from the west ten days ago and has succeeded in taking off the surplus flesh.

The fight will take place in the new stadium which will seat 10,000 spectators. Promoter Tom Andrews believes that every seat will be filled when the gong calls the fighters into the ring. Special trains will bring big delegations of fight fans from Chicago. Other delegations are coming from points throughout Wisconsin, Illinois, Michigan, Iowa and states as far distant as North Dakota. The advance sale indicates that the predictions of the largest crowd that ever witnessed a fight in this city are likely to be fulfilled.

GRIGGSVILLE.

Miss Anna Driscoll spent several days last week with her friend, Miss Mary Manner in Jacksonville.

G. F. Cadwell and Addison Cadwell have sold their farm of 135 acres of apple orchard to George Cadwell for \$34,830 or \$258 per acre.

Friends here have received word of the death of Mrs. E. F. Rush formerly of Griggsville but now of Chicago. Mrs. Rush was 75 years old and leaves a daughter of El Paso Texas.

George Carpes and Ross Shinn will leave Tuesday to attend a meeting of the Central Missouri Short Ship Circuit at Mexico, Mo.

Mrs. Paul Klinefelter of Lansville, has been spending a few days with her parents, Mr. and Mrs. Alfred Bickerdike and family.

John Stead is one of the jurors in the McGee levee case and spent last week with the other jurors going over the land of the objectors.

Henry Delaney of Alton is visiting his uncle Patrick Kearney and family in Pittsfield.

A contest was held at the high school to see which ten of the pupils should receive instruction in declamation from Rev. Dew Brittain. The three receiving the highest rank were Emily Bartlett, first; Blanche Crawford, second; Clarie Crawford, third. The judges were Rev. Packard, Mrs. C. B. Tugalls and Miss Helen Bashford. The winner from this contest will represent the school in the district contest in May.

Miss Lizzie Stone, the librarian is in a serious condition with asthma of the heart.

The special meetings of the M. E. church closed Sunday. Brother Robert Stephens gave good sermons and gave the membership of the Bible class much inspiration.

Charles Hildebrand has received from the Woodman Accident Association of Lincoln, Neb., a check for \$49.20 in full payment for 23 days total disability by reason of a dog bite sustained January 15.

HISTORIC LAND IS NOW OWNED BY FORMER JACKSONVILLE CITIZEN

Henry J. Myers Has Title to the Famous San Pasqual Ranch—One Battle of the Mexican War Was Fought There.

Henry J. Myers, a former resident of Jacksonville, now living in San Diego, is the owner of the San Pasqual ranch of 652 acres, which is famous in history because it was the scene of one of the battles of the Mexican war fought in 1846. Writing about this ranch and his work there Mr. Myers says:

"When the Mexican war broke out the main Rancheria or Indian village was on the San Pasqual ranch of 652 acres which I now own. One of the few battles of the Mexican war fought in California occurred here on the 6th of December, 1846. General Kearney with over one hundred men was on his way to San Diego from Fort Yuma and Santa Fe. That morning it was cold and raining with chilled bodies, damp ammunition and worn out horses these few soldiers marched down the mountain and entered the end of the valley. They found a warm, but not comfortable reception; General Pico with between two and three hundred lancers, all mounted, occupied the valley and the fighting began.

"The Mexicans ran with our men following on their worn out horses, when our men were strung out across the ranch the Mexicans turned on them and with fresh men and horses killed eighteen and wounded fifteen of our soldiers. The dead were buried near the cremery now located one-quarter mile from the ranch, but later were moved to San Diego. The others made their way to Starvation Peak and were held there some days until Kit Carson and two other men stole away to San Diego and got help.

"This is the valley so vividly described by Helen Hunt Jackson in her novel Ramona, her description of the old Indian cemetery on the ranch is true as it then was and still is used. A Mexican told me that the graves were dug eight feet deep and people were buried on top of each other every two feet. I have offered to give them all the land they want adjoining, to enlarge it, but so far they have not accepted it.

"There is a church and school house also on the ranch, making all conveniences; nearly two hundred acres of alfalfa on the ranch, a part of which is cut every month in the year; I have a picture showing the miller in operation when the adjacent hills were white with snow. We have a power cream separator, a milking machine, also silos, a five ton motor truck and all modern machinery for operating an up to date dairy and alfalfa ranch."

FEEL YOUNG

It's Dr. Edwards' Olive Tablets For You!

Beware of the habit of constipation. It develops from just a few constipated days, unless you take yourself in hand.

Coax the jaded bowel muscles back to normal action with Dr. Edwards' Olive Tablets, the substitute for calomel. Don't force them to unnatural action with severe medicines or by merely flushing out the intestines with nasty, sickening cathartics.

Dr. Edwards believes in gentleness, persistency and nature's assistance.

Dr. Edwards' Olive Tablets open the bowels; their action is gentle, yet positive. There is never any pain or griping when Dr. Edwards' Olive Tablets are used. Just the kind of treatment old persons should have.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil, you will know them by their olive color. Take one or two occasionally and have no trouble with your liver, bowels or stomach. 10c and 25c per box. The Olive Tablet Company, Columbus, O.—Adv.

A WAY OUT

A Resident of Jacksonville Shows The Way.

There's one effective way to relieve kidney backache. Liniment and plasters may relieve it;

But they seldom reach the cause. Backache is caused to suspect the kidneys.

Jacksonville people back them up. Read a case of it.

J. B. Seaver, blacksmith, 346 E. North street, Jacksonville, Ill., says: "I have used Doan's Kidney Pills with fine results and I am pleased to recommend them. I had pains in the small of my back, especially when I tried to straighten, after stooping, I used Doan's Kidney Pills and they stopped the pains. They also regulated the action of my kidneys."

If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same backed by home testimony, 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

WORLD'S LATEST FINANCIAL AND MARKET NEWS

STRONG TONE LACKING IN WEDNESDAY'S STOCK MARKET

Fluctuations Are Irregular on Stock Exchange—Pressure Diminishes in Latter Part of Day.

New York, March 11.—The strong tone of the preceding session was lacking in the stock market today and fluctuations were irregular. Attempts at the outset to extend the rise were checked by large selling of American sugar and the eastern railroad shares. Sugar fell to the lowest point since 1907. Reading, the lowest, and New York Central developed heaviness. The whole list softened.

Pressure diminished in the latter part of the day and among the industrials there were numerous points of strength. Railroad shares, however, exhibited further weakness. Rock Island common at 4½, the preferred at 7½, the collaterals at 40 touched new low records. Western Pacific 5's dropped four points to a low record at 59.

The improvement among the industrials were helped by good trade. Low priced copper shares were bought on indications of an increased demand for the metal.

American sugars recent decline was explained by the sharp decreases in earnings shown in the annual report. The gross profits for 1913 were \$3,303,000 under the preceding year.

Gossip of a possible cut in New York Central's dividend rate at this time was ended by the declaration of the regular dividend on which the stock rallied sharply after an early slump.

Rheumatic Blood is Whole Story

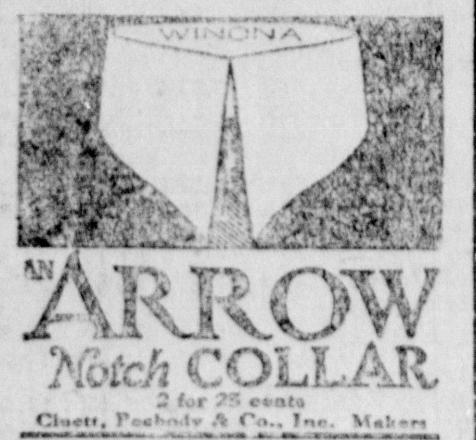

You Will Feel Like an Acrobat After Using S. S. S.

Rheumatism is simply a name given to designate a variety of pains, and can only be reached by irritating the entire blood supply with a naturally assimilative antidote. There is but one standard rheumatism remedy, and is sold in all drug stores under the name of S. S. S. Attempts are often made to sell something claimed to be "just as good," but positively you will have nothing but S. S. S.

It contains only pure vegetable elements and is absolutely free of mercury, iodine, or potash or arsenic.

The recoveries of all types of rheumatism by the use of S. S. S. is a fine tribute to the natural efficacy of this remarkable medicine, for it is assimilated just as naturally, just as specifically, and just as well as the most acceptable, most palatable, and most readily digested food. Do not fail to get a bottle of S. S. S. today. You will be astonished at the results. If your rheumatism is of such a nature that you would like to consult a specialist, write the medical department, The Swift Specific Co., 220 Swift Bldg., Atlanta, Ga.

OUCH! RUB BACKACHE, STIFFNESS, LUMBAGO AWAY

Rub Pain and Soreness Right Out With a Small Trial Bottle of Old St. Jacobs Oil.

Kidneys cause backache! No! They have no nerves, therefore can not cause pain. Listen! Your backache is caused by lumbago, sciatica or a strain, and the quickest relief is soothing, penetrating "St. Jacobs" tender spot and instantly the pain, soreness, stiffness and lameness disappears. Don't stay crippled! Get a small trial bottle of "St. Jacobs Oil" from your druggist and limber up. A moment after it is applied you'll wonder what became of the backache, sciatica or lumbago pain. "St. Jacobs Oil" is harmless and doesn't burn the skin.

It's the only application to rub on a weak, lame or painful back, or for lumbago, sciatica, neuralgia, rheumatism, sprains or a strain.

SOCIALIST ORATOR MADE ADDRESS AT COUNTY COURT HOUSE

Rev. Thomas J. Thompson Came to Jacksonville to Answer Arguments Presented by David Goldstein—Declares Socialism Not Opposed to Christianity.

Rev. Thomas J. Thompson appeared in Jacksonville Tuesday night and delivered a lecture at the court house in answer to David Goldstein's lecture, delivered at the opera house last Sunday.

He was engaged by the Socialist local of Jacksonville for the occasion and last Sunday was present at the opera house and challenged the anti-Socialist lecturer to allow him to reply. Following is a brief synopsis of Rev. Thompson's address: "The Socialist movement is the greatest politico-economic movement in the world, our enemies themselves being the judges. There are, beyond doubt, over fifty million Socialists in the world. The Socialist party in the United States, as well as everywhere else, carries on an educational propaganda and seeks to educate the working class, especially as to its relation to the social fabric, its functions in the production of wealth and its rights to such wealth when produced.

"It is an organization of the working class on the political field. It seeks on this field the union of all the workers, and welcomes those of the capitalist and middle class whose supreme watchword is 'justice,' that it may fill all of the political offices with Socialists. The government would then co-operate with the producers of all wealth in the transfer of the means of production from the hands of a single exploiting robber class as it now is, to society as a whole. In other words, we propose to 'expropriate the expropriators,' or in still other terms, to recover the stolen goods. Thus Socialism means to all Socialists, whether atheists, deists, agnostics, Christians or Jews, men and women of all religions or no religion; the collective or social ownership of the means of production and their co-operative use and democratic management in the creation of wealth, each one sharing in such wealth according as he has contributed to its production.

"Let me emphasize this, for it is a clear cut definition of Socialism about which there can be no disagreement.

"The declaration is, in substance, in all of the official pronouncements of the party. It is the heart and soul of the communist manifesto of Marx and Engels, the first international document of note setting forth the Socialist philosophy and purpose. Socialists may and do disagree upon many other subjects, such as evolution, the marriage relation when socialism shall be established, religion and astronomy and a thousand and one other things, more or less connected with the social ownership of the means of life. But, under Socialism, as it ought to be now under capitalism, it will be the business of the majority to settle all social questions, and the business of the individual to set and all individual or private matters, and society will be free as to social matters.

"Well, David Goldstein has been among us and has used his sling. But this modern David had his sling loaded with mud instead of the clean pebbles of truth. He attacked the Socialists as atheists and free lovers and the Socialist movement as atheism and free love. In doing so he has slandered millions of men and women of pure minds and hearts and of as clean lives as were ever found on the earth.

"Those of you who were present at Goldstein's lecture last Sunday recall the fact that I challenged him to debate the following question: Resolved, That Socialism is the solution of the labor problem and consequently for the benefit of society economically and morally. You recall the fact, too, that I compelled Goldstein to declare that, when he was a member of the Socialist Labor party, and afterward when he was a member of the Socialist party, he taught the fundamental declarations of the platforms of these parties as Socialism. He tried hard to evade the question, but I made him say 'Certainly I did.'

"Goldstein subsequently left the Socialist party and for eight years worked at his trade as a cigar maker. Three years ago he joined the Catholic church and became a member of the Knights of Columbus and has been fulminating thunder against Socialism ever since. Hence this lecture tonight. I am now ready to pay my respects to Goldstein.

"First, let me say that the Socialist party is not engaged in making either Christians or atheists, either free haters or free lovers. It is engaged solely in the work of making Socialists.

"Goldstein is doing the Socialist movement a great service in calling attention of a great many people that we have not yet reached and who would not listen to a vile socialist to the magnitude and power of its world-wide propaganda, and to its immense educational vigor. We are also pleased that he advised you to study Socialism as that is the only way you can know what it is.

"In our business of making Socialists, we find that all nationalities are to be dealt with, and, as I have already said, people of all religions and no religions, both men and women as well as young people of both sexes. We have in this country to get our new members from all other political parties likewise.

"Thus, if we approach any one that is fond of novel reading, we give him a Socialist novel, such as Bellamy's 'Looking Backward,' as a starter. If he is an evolutionist, we give him a book on evolution that teaches Socialism. If he likes political economy, we give him Karl Marx's 'Capital.' If he is an atheist,

the party does not attempt to make a believer in God out of him, any more than the Democratic, the Republican, the Progressive, or the Prohibition party. We take every one as he is and act accordingly. True we have Socialist writers who are atheists or agnostics, but neither atheism nor agnosticism is Socialism, nor does the party require any one to believe in these doctrines to be a Socialist. Moreover, there are doubtless multitudes of men in the Democratic, Republican and Bull Moose parties who are atheists, agnostics, free lovers, etc. It is the business of the church to convert them. There are more than one hundred and forty religious sects in this country alone and Goldstein is at war with at least one hundred and forty-nine of them.

"The one hundred and fiftieth sect, the one which Goldstein champions is, as we have seen, making a vicious assault upon the Socialist party because it forsooth, does not do the work of the churches or sects. "Let me suggest, as an amicable adjustment of this whole matter—a peaceable solution—that the Catholic church at once begin to advocate the co-operative commonwealth condemning at the same time, Atheism, Agnosticism, free love, wage slavery, white slavery, child labor, and advocating freedom of speech, of the press, of assemblage and of conscience and holding up to the world as an ideal the Monomaniac Family. If the Roman Catholic church does not believe in the co-operative commonwealth, let our opponents meet us in debate upon that question alone.

"It will now be seen that Goldstein's whole speech was designed to evade the issue. The people of Jacksonville absolutely know that Goldstein's charges against the Socialist movement are untrue, from the simple fact that speech after speech by scores of men and women of national repute in the Socialist party has been delivered openly where every one might know to a certainty that the Socialist party does not teach or believe in free love or Atheism. Nor does the party require any one to believe in the philosophy of materialistic monism as Goldstein asserted. For the absolute refutation of all these lies, I will set out here exactly what the party does require of every applicant for membership. Here it is.

"I, the undersigned, recognizing the class struggle between the capitalist class and the working class and the necessity of the working class constituting themselves into a political party distinct from and opposed to all parties formed by the capitalist class, hereby declare that I have severed my relations with all other parties, that I endorse the platform and constitution of the Socialist party, including the principle of political action, and hereby apply for admission to said party."

This is the whole story in one sentence. It's application blank together with the platform and constitution mentioned, may be obtained by anyone who wishes it, without the importation of a liar from Boston or anywhere else. It will be seen by these documents that many of the statements of Goldstein are absolutely false directly and by necessary inference.

"But it will be contended that Goldstein read from books, passages which he said taught the doctrine already mentioned, and which seem so obnoxious to him and his newly acquired faith.

He said he had twenty-five books which he said taught the doctrines of free love or Atheism and were antagonistic to the Christian faith (meaning his faith) and could bring many more to the same effect. If he could do so it would make not the slightest difference with the facts as I have already shown.

"But in order to show clearly the deceptive, or garbled use he made of these quotations, I have a few more words to say on this part of the theme. First I want to give an illustration.

"Anyone of ordinary ability can take the Bible and by scraping it or taking verses out of their context prove that it teaches almost any fool doctrine. Mind you, I do not say that it teaches contrary doctrines, actually, or foolishly. Take, for instance, the 4th and 5th verses of the 26th chapter of Proverbs: 'Answer not a fool according to his own folly, lest thou also be like unto him.' This is verse 4. Verse 5, reads: 'Answer a fool according to his own folly, lest he be wise in his own conceit.'

"What could be apparently more contradictory than these two statements, yet they are exact quotations from the same book, the same chapter and the two verses are right together in the same context.

"Every Christian would be offended, and rightly so, I think, if I should say that either of these verses taught a lie. This, however is similar, if not identical with Goldstein's method of quotation. I shall give you one or two samples. Time would fail me if I should attempt more.

"Let us turn to Babel's 'Women and Socialism,' which is the peculiar horror of these goody-goody people. This is the worst that can be said against the Socialist movement by our opponents. But Babel distinctly says on the very same page from which Goldstein quoted (page 437): 'As with the state, so it will be with religion. It will not be abolished. God will not be 'dethroned,' people will not be 'robbed of their faith,' as all the foolish arguments are worded that are directed against Atheistic Socialists. Such fallacious Socialists leave to Bourgeois idealists (such as the progressives) who attempted such measures during the French Revolution and, of course, utterly failed. But the whole matter of the details of the Socialist state and the effect of the emancipation of woman and the wage slave as to their religious faith and sexual relations is a matter of pure speculation. Babel himself says so in the very book quoted from. Hear him, page 8, introduction: 'All Socialists will probably agree with the fundamental principles herein expressed.'

But the same cannot be said in regard to the realization of our ultimate aim, that is, in regard to the particular form that institutions should take to bring about the desired independence and equality of all. As soon as we forsake the firm foundation of reality, and begin to depict the future, there is a wide field for speculation. A difference of opinion immediately arises as to what is probable or improbable.

Whatever, therefore, is stated in this book concerning the future probabilities must be regarded as the personal opinion of the author, and even attacks must be directed against his person, because he assumes full responsibility for his statements. Attacks that are honestly meant and are objective in character, will be welcome; those that distort the contents of this book or are founded upon an untruthful interpretation of their meaning, will be ignored. It remains to be said that in the following chapters all conclusions should be drawn which it becomes necessary for us to draw, as a result of our investigations of facts. To be unprejudiced is the first requirement for a recognition of truth, and only by expressing without reserve that which is and which ought to be, can we attain our ends."

MAY ORGANIZE CHAPTER OF SONS OF REVOLUTION.

A Goodly Number of Morgan County Citizens Are Entitled to Membership—D. A. R. Work Is Commenced.

As the result of the interest aroused in Revolutionary affairs by the ceremonies in connection with the unveiling Monday by Daughters of the Revolution, it is likely that the local chapter of the Sons of the Revolution may be reorganized. The Samuel Adams chapter was organized here some years ago, but recently has not been in an active condition. Among those prominent in the organization for some time were J. H. Hackett, Judge E. P. Kirby, C. H. Ward and H. H. Bancroft. A goodly number of men in Jacksonville and Morgan county have a lineage which entitles them to membership and if the chapter renews activities the membership roll will likely be largely increased. Members of Rev. James Caldwell chapter are being commended for their work of honoring the revolutionary soldiers buried in Morgan county by those who have viewed the bronze tablet and the exercises of last Monday have been often referred to since that day. The decorations for the occasion were noteworthy and the chapter is under great obligation to E. C. Shepherd for the flowers and plants used in securing the desired effect.

MRS. CHARLES EZARD HOLDS PUBLIC SALE.

Will Move Family to Home of Her Father in Woodson.

Mrs. Charles Ezard held a public sale at her home, one mile south of Woodson, Wednesday. There was a good attendance and everything sold well. WOMEN SEEK TO HAVE GENERAL LAW FOR CITY SCHOOLS.

Civic League Is Circulating Petition To Have Question Brought Before the Voters of the City at Election in April.

The Civic League, the organization of women which came into existence at the time of the local option campaign, is now agitating the question of placing the schools of Jacksonville under the general law. The league at a recent meeting decided to take up this question and the circulation of a petition to secure the necessary votes to bring the matter up for settlement at an election was begun yesterday. It will require but fifty signatures to have the question submitted and it is therefore certain that it will be voted upon at the election to be held April 21, when members of the board of education are to be chosen for the third and fourth wards.

The schools of Jacksonville have long operated under the special charter. At various times the matter of changing to the general law has been agitated, but at every election when the question was submitted, a majority of the voters were opposed. It is a fact that Jacksonville has one of the few remaining special school charters, as nearly all Illinois cities which originally operated their school systems under special charters surrendered them to adopt the general school law.

Should the general law be adopted in Jacksonville the schools would be in charge of a board of education composed of six members and a president elected at large. The term of the president would be one year and the members would serve for three years, the terms of two members to expire annually. One of the principal arguments usually advanced in favor of a change to the general law is that under it the board would be made up of men chosen at large without reference to their places of residence. It is argued that men so elected are more inclined to devote attention to the general interests of the schools as a whole, rather than is done under the present system.

A second argument in favor of the general law is that under its operation the school management is wholly divorced from municipal government. Under special charter the city council must pass upon the tax levy of the board of education each year and the mayor of the city, by virtue of his office, is the presiding officer of the board of education.

From the fact that there are but five members of the board as at present organized, including the mayor, it often happens that the presiding officer has the deciding vote. The school management and the city government are also related under the present plan from in that the clerk and treasurer of the city become the clerk and treasurer of the board of education by virtue of the city offices they are holding.

NOMINATIONS NOT SOLICITED

FRANKLIN WOMEN SURPRISED
WITH ELECTION RESULTS.

"Quiet Political Move" on Day of Election Was Cause of Women Winning Out—Claim That "the Joke" Will Now Be a Real One.

The erstwhile quietude which has prevailed at Franklin was suddenly broken Tuesday at the primary election when it became known that with one exception the entire Citizens' ticket nominated women. Unbeknown to the women two or three citizens got together on election day and thought it a good idea to nominate ladies. The suggestion gained ground and it was soon whispered about that a "slate" had been formed. So quietly did the whole thing proceed that not even the women nominated knew anything about it until after the ballots were counted. The telephones were kept busy congratulating the ladies until a late hour and all day Wednesday the chief topic of conversation was the coming election.

Mrs. W. J. Wyatt, who was nominated for president of the board, said last night: "I never knew a thing about it until it was all over and some one called me up to congratulate me. After that the phone kept ringing until bed time and again the following morning. It was truly a clever joke that the men put over on us, but all the ladies nominated intend to put up a good fight and we'll see election day who the joke is on." Mrs. Wyatt is known for her strong ideas in favor of "woman suffrage" and she is not alone in this idea among the nominees.

As was stated yesterday the ticket put in the field was: a resident, Mrs. Sallie Wyatt; trustees, Miss Minnie Wright, Mrs. Maudie Patterson and Miss Bessie Hart; clerk, Miss Grace Hill, and police magistrate, J. W. T. Stewart.

While the Democratic party put a good list of candidates in the field, it is understood that the ladies will have some strong backing from the ranks of that party and the vote of Tuesday showed a larger one for the Citizens' ticket.

The women expect to hold a meeting soon and outline a campaign. It is the prevailing opinion in Franklin that the women will accept the "serious" nominations despite the fact that a report had it to the contrary. The campaign promises to be an interesting one and a fight royal is expected.

UNDERWOOD PROPOSES TAX ON TOBACCO PREMIUM COUPONS

Tobacco Men Discuss Proposal Before House Ways and Means Committee.

Washington, March 11.—Representative Underwood's proposal to impose a prohibitive tax on premium coupons given away with tobacco and cigarettes was the subject of a hearing of tobacco men from all over the country today before the house ways and means committee. Representatives of the United Cigar Stores company, independent tobacco manufacturers and union labor were heard.

The independents urged the legislation on the ground that the coupons were destroying their business without benefitting the consumer, while the coupon advocates said they stimulated the tobacco business and increased the government's revenues. William A. Coakley representing photo-lithographers engaged on the work of producing the coupons and colored pictures, testified that the forty thousand persons in that industry would be thrown out of employment by the proposed legislation. Representative Reilly of Connecticut, a Democrat, testified that the bill would injure manufacturing jewelers and silversmiths in his district.

John W. Yerkes of this city representing the independent Tobacco Manufacturers association, Charles Dushkind of New York City, representing the Independent Retail Tobacco association of America, E. C. Berriman and Isaac Lipson of Chicago, representing numerous retail cigar dealers associations, protested that so-called tobacco manufacturers were monopolizing the business under the stimulus of the coupon and that it was dealing a death blow to their industry. They said it was impossible for the independents to compete with the United Cigar Stores company and its allies with their string of 900 or more stores through the country.

HEAR ARGUMENT ON VALIDITY OF VOW

Supreme Court Will Decide Legality of the "Vow of Poverty" Under American Law.

Washington, March 11.—Oral argument was heard in the supreme court today on the validity under American law of the "vow of poverty," prescribed some twelve centuries ago for members of the Catholic Brotherhood of St. Benedict. Briefs already had been submitted and the case is now before the court for a decision. The legality of the "vow of poverty" was questioned in the administration of the estate of Father Augustine Wirth, a priest at St. Benedict, who died at Springfield, Minn., in 1901, leaving considerable money and property that had been in his possession belonging to the order. The relatives won in the United States circuit court of appeals, which decided that the vow was against public policy and void.

CHARGES OF FRAUD APE MADE IN SUPREME COURT

Fraud is Charged in Connection With Reorganization of the Allis-Chalmers Company.

New York, March 11.—Charges of fraud were made today in the supreme court in connection with the reorganization of the Allis-Chalmers company, manufacturers of machinery, which was taken over by the Allis-Chalmers Manufacturing company in 1912, when the first named concerned was in financial difficulties.

Augustus G. Payne and his son, Augustus G. Payne, Jr., filed an action in their own behalf and that of others similarly situated, asking that it necessary to the purposes of the action a receiver be appointed for the new corporation. They declared the acquisition of the old concern by the new one was a fraud on the holders of first mortgage bonds issued by the old company.

ENGINEERS HAVE OVERCOME THE SLIDE AT CUCARACHA

Dredging Engineer Believes Channel Will Be Required Depth Within Two Months.

Panama, March 11.—Canal engineers today expressed the opinion that the slide at Cucaracha virtually had been overcome and that now it was a mere matter of taking out the dirt, which is being removed faster than it is coming into the canal. W. C. Comber, the dredging engineer, expressed satisfaction at the outlook and said he believed within two months the channel at Cucaracha would be at the required depth. Plans have been completed to begin next week the bringing of the depth of the channel in front of the slide to the 45 foot final stage with the ladder dredger Corozal. All the other dredges will be removed.

The width of the canal in front of the slide is now within 45 feet of the specified 300 feet. This area will be removed with dipper dredges when they arrive from the United States.

CHICAGO MERCHANT SHOT.

Chicago, March 11.—Louis Reval, Sr., president of Reval Mercantile house, was shot and probably fatally injured in his office tonight. Mrs. Reval and their 19 year old son, who had gone to beg Reval to return to his family, were arrested. Mrs. Reval told the police that while their son was absent from the room her husband had threatened her with his revolver and was shot while struggling with her for its possession.

BURNS WITH HOTEL.

Marlow, Okla., March 11.—Clarence Ralston, 40 years old, was burned to death in a fire that destroyed the Parks hotel here today. Defective wiring is believed to have caused the fire.

Let Us Hatch 'Em Out for You!

The hatching season is now on and no doubt you will want some early chicks for fryers, broilers or pullets for winter layers. If you want chicks we can supply any amount, but here is something better, you furnish the eggs and we will hatch them out for you at a very low price. By so doing you will not have to wait for the broody hen or fuss with an incubator. Our prices for hatching eggs are as follows:

50 Eggs or more 3c per egg, \$3.00 per 100
Less than 50 eggs 4c per egg
Dnck eggs,..... \$5.00 per 100, not less than 100 accepted

No discount on large orders, nor will we allow for infertile or non-hatchable eggs. We use standard incubators and give the eggs the best of attention. If the eggs are hatchable we can insure a good hatch.
